DECLARATION

Applicants' representative attests that the amendatory material added to the specification of U.S. Patent Application Serial No. 09/302,863 consists of the same material incorporated by reference in the original specification.

I further declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
